

Lunch & Learn Webinar: Understanding Supplemental Security Income (SSI) Reporting Responsibilities

Supplemental Security Income (SSI) eligibility is determined on a month by month basis. If you or your loved ones receive benefits from Social Security, you have a legal obligation to report changes, which could affect eligibility for SSI benefits and Medicaid.

Hosted by The Arc of New Jersey Family Institute and presented by David Vinokurov, Social Security Administration District Manager, attendees will learn how to report changes to your SSI benefits and avoiding SSI overpayments and underpayments.
