

Interested in technology to help
your loved one live independently?

“Lasting Independence through Enabling Technology”

Monday, June 17 | 6:00 PM

The Arc Center, 1158 Wayside Road, Tinton Falls NJ 07712

**Medication Management · Cooking Safety · Flooding · Falls
Environmental Controls · Managing Chronic Health Conditions**

Join *SimplyHome*'s local representative, Meghan O'Sullivan as she leads a discussion on how to successfully integrate assistive technology into a person-centered life. Enabling technology can be individually customized to effectively support specific needs. Meghan will review a variety of support needs and how systems can send alerts to individuals, family, or a circle of support. She will share stories of individuals thriving in their journey to independence.
