

Achieving a Better Life Experience Act of 2014 (ABLE Act)

ABLE Accounts are tax-advantaged savings accounts for individuals with disabilities. Millions of individuals with disabilities depend on a wide variety of public benefits for income, health care, food and housing assistance. Eligibility for these public benefits (SSI, SNAP, Medicaid) require reporting no more than \$2,000 in cash savings, retirement funds and other items of significant value.

Hosted by The Arc of New Jersey Family Institute and presented by Robin Shaffert, Senior Executive of Individual and Family Supports at The Arc of the U.S., attendees will learn eligibility requirements and how ABLE Accounts can help when planning for the future.
