

Tour With Us!

Calling all students with intellectual and developmental disabilities and their families.

Join The Arc of New Jersey Family Institute for a tour of Mercer County Community College's DREAM program. You will have an opportunity to visit Mercer County Community College and learn about the different aspects of a college experience. Families will learn all about the DREAM program and the Office of Special Services. The DREAM program is student-centered, which means that each student's course of study is determined by the student's goals and needs. Areas of study include: Academic Experiences, Career-Related Experiences, Independent Life Experiences, and Socialization Experiences. *Space is limited to 20 families.*
