

FIVE FAST FACTS FOR FRIDAY

NJ Work Incentives Network Support (NJWTINS)

- NJWINS can serve anyone ages 14 to 64, who is receiving SSI or SSDI benefits and is considering work, starting work, continuing present work or increasing work efforts.
- Your Community Work Incentives Coordinator will be available to construct a Work Incentives Plan, to instruct you on future Work Incentives use, so that you can protect your benefits for as long as you need them, while starting, continuing or augmenting work.
- Work Incentives are tools that create a safety net to protect SSI and SSDI cash benefits and Medicaid and Medicare healthcare benefits for as long as they are needed while starting, continuing, changing or increasing work efforts.
- NJWINS offers Work Incentives Planning Consultation which is one-on-one assistance in understanding and using SSI and SSDI Work Incentives.
- Contact NJWINS with questions at 1-866-946-7465 or visit, www.njwins.org.
